

DUNGEONS
&
DRAGONS

The logo for Dungeons & Dragons is centered on the page. It features the words "DUNGEONS" and "DRAGONS" in a large, stylized, blackletter font. A horizontal sword is positioned behind the text, with its hilt on the left and its point on the right. A dragon's head is integrated into the design, appearing to emerge from the sword's blade. The sword's hilt has a crossguard with a small, rectangular detail. The dragon's head is positioned between the two words, with its mouth open as if breathing fire or a spell.
