

A black and white line drawing of a Memorial Day poster. At the top, there are two rectangular blocks of stars, each containing a 5x7 grid of small stars. Below these, there are two rows of larger, five-pointed stars. The first row has five stars, and the second row has three stars. In the center, the words "MEMORIAL" and "DAY" are written in a large, bold, outlined font. "MEMORIAL" is on the top line, and "DAY" is on the line below it. On either side of "DAY" are three horizontal lines. Below the text, there are three wavy American flags. Each flag is held by a hand. The hands are simple line drawings. The flags are positioned in the lower half of the page. The entire scene is framed by two vertical columns of stars on the left and right sides.
